**Air Cleaning/Filters/IAQ**
**Products:**

- Aerisa

**Air Handling Units:**

- Energy Labs (Custom)
- VTS

**Chillers:**

- Multistack
- Samsung
- WaterFurnace

**Cooling Towers:**

- BAC

**Cooling Tower Water**
**Filtration:**

- Lakos

**DX Packaged/Split Systems:**

- Lennox
- RuppAir
- Samsung

**Energy Recovery:**

- ACT (Heat Pipes)
- Energy Labs
- Multistack
- Samsung
- VTS

**Fan/Blower Coil Units:**

- Whalen

**Gas Detection:**

- MSA

**Heat Recovery Chillers:**

- Multistack
- Water Furnace

**Ice Thermal Storage:**

- BAC

**Plate Heat Exchangers:**

- Alfa Laval

**Variable Frequency Drives:**

- ABB

**VRF- Variable Refrigerant**
**Flow:**

- Lennox
- Samsung
- Yanmar (Gas Driven)

**Ventilation Products (DOAS):**

- Energy Labs
- Lennox
- Multistack
- RuppAir
- Samsung

**Water Source Heat Pumps:**

- Water Furnace
- Whalen
